

100% Organic FOOD SHELF LIFE ENHANCER

Combatting food security issues through **shelf-life enhancement** and eradicating harmful and food spoilage microbes

About Miracle Everyday

- Miracle Everyday L -44 F is a potent bioflavonoid extracted from bitter orange peel with inbuilt properties like anti-microbial, anti-oxidant and anti-inflammatory.
- It works by causing cell-wall intrusion, complexation of key cations and disruption of protein functioning which adversely affects cellular as well as non-cellular organisms like bacteria, fungi, molds and viruses.
- L-44 F offers mechanical killing action of microbes which prevents their resistance development.

Certifications

- FSSAI approved food stabilizer enhancing shelf life of food.
- NASAA - certified 100% organic
CNAS certified 100 % non - toxic
Tested chemical and pesticides residue free by ICAR NRCG

License no. 11522997000163
